Re: Financial Results for November 2011  
Date: January 17, 2012

CTA's financial results show a deficit for the month of November of \$0.8 million and a surplus for the year to date of \$45.6 million. Ridership for the month was 44.4 million and was 0.9 million less than budget. Year to date ridership was 8.4 million more than budget and 11.5 million more than the prior year.

The chart below highlights CTA's key working capital results at year end compared to year end 2010.
