Re: Financial Results for December 2012
Date: March 5, 2013

CTA's financial results show a surplus for the month of \$2.2 million and for the year to date of \$8.5 million. The surplus for the month is primarily due to favorable variances in the labor and other expense categories. The surplus for the year to date is primarily due to higher than anticipated pass, advertising and other revenue. Ridership for the month was 40.5 million and was 1.0 million more than budget. Year to date ridership was 545.6 million and was 9.7 million more than budget.

The chart below highlights CTA's key working capital results at December 2012 compared to December 2011 and year end 2011.
